**Re: In the Matter of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

Please retain the broadband bridge 2 rule that enable ISPs like Sonic to serve its customers. Please do not let Verizon, AT&T, Comcast become even more monopolist. I very much appreciate Sonic and its customer oriented service and economics, and I do not want to lose that. They provide much needed competition in a field that has very little. I started off with Sonic DSL on top of AT&T phone service some 7 years ago. I hope to never have to go back to AT&T again, the company that is constantly adding in yet another fee or tax. Sonic has not raised its rates ever.
